P R O C E E D I N G S

THE STENOGRAPHER: Does everyone agree that I can swear in the deponent remotely?

MS. COLBATH: MineOne parties do.

MR. GOTTLIEB: Bit Origin and SonicHash do as well.

MR. LENHART: Yes, for Bitmain.

MR. MURPHY: And yes for Plaintiff.

TIM DESROCHERS

having been first duly sworn, was examined and testified as follows:

MS. COLBATH: Do we need appearances of counsel, or can I just start?

MR. MURPHY: Paula, this is Pat. I would like to state on the record that this deposition is -- all of it is being marked as confidential, for attorney's eyes only, pursuant to the December 6, 2023, stipulated protective order.

And as I advised counsel earlier, we will be making a motion with the Court to file not only the deposition and all of its testimony, but all of the exhibits under seal with the Court. Thank you.

MS. COLBATH: And as we discussed off the record, the MineOne parties object to the attorney's eyes only designation.

1 And we will follow -- we don't consent to
2 the motion, and we will follow the procedure in the
3 stipulated protective order: the documents that were
4 produced and -- have all of the confidential material
5 redacted and left only an address.

6 And we don't believe that that's subject to
7 an attorney's eyes only designation. So we will
8 proceed accordingly.
